**Prague, September 7<sup>th</sup>, 2020 - The second edition of Comic-Con Prague will take place from the 12<sup>th</sup> - 14<sup>th</sup> February 2021 in Prague's O2 universum. Once again, this famous worldwide phenomenon will focus on films, tv shows, comics, and books, which are predominantly in the sci-fi, fantasy, and horror genres. Main guests include Christopher Lambert, Julian Glover, and comic creator Jason Aaron. Ticket pre-sale will begin on the 9th September.**

Comic-Con Prague was inspired by the popular international concept, which has a strong worldwide fanbase and boasts a rich history. The first-ever Comic-Con took place in 1970. Comic-Con Prague 2021 will offer a wide range of activities for fans of sci-fi, fantasy, and horror. These include Meet & Greet sessions with film actors and other artists, film screenings, workshops, competitions, exhibitions, cosplay, video games, and board games.

*"We're really excited for the second year. Preparations for this event began straight after last year's event finished. We can already confirm a number of Hollywood names, and negotiations with others are still ongoing. I can confirm that Christopher Lambert will be attending. Fans know Christopher as Connor MacLeod from the Highlander films and Lord Ryden from the movie Mortal Kombat. We will also welcome Julian Glover, who is most famous for his roles in Star Wars: The Empire Strikes Back, Indiana Jones and the Last Crusade, or Game of Thrones,"* explains Václav Pravda, Programme Director at the festival. Comic-Con Prague 2021 will also feature famous comic creator Jason Aaron, who has worked with Marvel and DC Comics. Jason is currently working with Marvel on restarting the Star Wars comic series. Other famous guests will be revealed by event organisers in due course. Fans will not want to miss our special Star Trek-themed exhibition this year.

Comic-Con Prague 2021 will take place under the patronage of Prague mayor, Zdeněk Hřib. *"Last year's Comic-Con was fantastic. I have fond memories of dressing up as a Jedi knight from Star Wars. I am very happy to assume patronage over this second edition of Comic-Con Prague. I am sure that the event will be a success again and that everyone will have an unforgettable experience. Comic-Con is coming,"* says Hřib.

*"Last year's event was attended by 23 000 fans, which was unbelievable. It completely exceeded our expectations. We are ready to increase the overall capacity this year. At the same time, we are monitoring the situation regarding the pandemic in the Czech Republic. As a result, we are also considering an alternative date that we can move the event to, should the situation require it. In any case, we don't want to let our fans down and deprive them of this unique event,"* concludes Pavel Renčín, Head of Marketing at Active Radio, whose NoLimits team is co-organising the event.

Tickets will go on sale at the Ticketmaster website from 690 Kč. Collector's edition tickets and VIP tickets will also be on offer.
